Excellent Services Tailored to Different Needs...

Fountain View Manor Memory Care offers comprehensive and caring Alzheimer's and dementia care. The mission of our supportive community is to serve the special needs of individuals living with Alzheimer's disease, dementia, and other forms of memory loss. The residence is a comforting environment, deftly incorporating safety and supportive cues throughout...even in the secured courtyard and indoor walking paths.

Fountain View Manor Memory Care offers the Pathways Program, based on Montessori principles, to help those individuals with memory loss maintain function and enhance their daily life. Our individually tailored life program provides the stability of a routine while maximizing independence and autonomy. We develop close bonds between residents, their families, and our caregivers.

Memory care can be different...let Fountain View Manor show you how.

Apartment Choice:
