Assisted Living

Assisted Living means giving nothing up and regaining a renewed sense of purpose-driven living, independence and privacy, compassionate care within your own apartment home and a dignified and meaningful lifestyle. We offer a 24-hour dedicated and caring team that is prepared to meet your personalized needs and wants. You will be treated in a way that is dignified and feel great about the time you will regain to pursue your interests. Make every day what you want it to be.

Memory Care

SPARK™ is our unique and award-winning lifestyle approach to living well with dementia. A SPARK™ lifestyle means residents are encouraged to do what they are able, historical knowledge is celebrated and acknowledged and new abilities are recognized and utilized. If you are seeking a positive approach where residents are doing more than you would expect, where residents find a sense of belonging and meaning and where loved ones are happy to visit, then you may have just found the right place!
